

Angel BID Recycling Questionnaire

Angel BID will soon be introducing a **free** cardboard recycling service to complement the paper recycling service already available to BID members. In order to gauge the take-up and volume of each collection, we would be grateful if you would take the time to complete the following questionnaire.

We will then collate the information we get back and work out a collection schedule which is most convenient for your business. If you already have a recycling provider, you can still choose to use our service in addition. We want this to be convenient, easy to use and a way of saving your business money.
